

UVE CLIENT APP

Configured to Your Production

The UVE Client App is intuitive and entirely paperless, allowing you to manage Artistes electronically with instant digital reporting. You can also...

Manage different Units simultaneously on different devices

Select from a Union Pay Scheme or your own bespoke agreement then assign them to specific Units

Set bespoke Artiste agreements such as T&Cs or COVID-19 protocols

Request iPads, stands, hand straps and 3G/4G connectivity should you need them!

Uni-versal Extras

UVE Client App | Features

Instant Reporting

Get Unit Reports the moment a Unit is closed. Primary ADs will also receive a Full Day Activity Report (all Units) when the final Unit closes for the day.

Thorough Breakdowns

Every report arrives as a .csv and contains a thorough, line-by-line breakdown per artiste, making for easy editing & sorting!

Multiple Secure Users

Supports Multiple AD Users, each with a unique, secure login - even different permissions controlled by Unit if required.

Let Us Take Care of Calculations

No more mental maths - all Artiste payments are calculated automatically for infallible speed & accuracy.

Manage Productions On-The-Go

Work online or offline - the UVE Client App will safely store then sync your data once a connection is established.

E-Chits

At check-in and check-out, each Artiste will receive a digital chit via email providing a full breakdown for each production day.

Uni-versal Extras

UVE Client App | In-Day Features

Check Artiste's profile history & previous chit break downs

Close each Unit when completed & receive an immediate digital report
